Invites Expression of Interest from qualified persons to be included in the Panel of Subject Matter Experts for Online Programmes

MGU Innovation Foundation invites 'expression of interest' from qualified hands, who are willing to associate with the Academic activities related to the online programmes, to be included in the panel of Subject Matter Experts (SMEs).

MGU Innovation Foundation is a nonprofit Section 8 company under the Companies Act, 2013 (A Special Purpose Vehicle) incorporated on 19 December 2019 with the aim of functioning as a business innovation ecosystem of Mahatma Gandhi University. The organisation is functioning under the guidance of the RUSA 2.0 project of the Ministry of Education. Our mission is to empower young entrepreneurs by facilitating their entry into the business Ecosystem. We offer business incubation, comprehensive support, training, consultancy, virtual co-working space, tailored software solutions, in-house e-content services, and execute multidisciplinary R&D projects, leveraging academia, industry, financial, and legal resources.

Seeking academic experts with UGC stipulated and professional qualifications to cooperate with the organisation on a part-time basis within a convenient time frame. The regular teachers of various colleges/University Departments associated with similar programmes and enthusiastic freshers can apply. Besides an attractive opportunity to associate with the leader institution, an attractive honorarium will also be provided. Retired teachers from Govt/Aided Colleges/University Departments below 65 years of age can also apply.
